Title: STORAGE CLUSTER SERVER NETWORK

Supplemental Information attached to Form PTO/SB/83

Practitioner has repeatedly sought payment for the grossly overdue invoices. No less than fifteen times, Practitioner, or someone under Practitioner's control, has attempted to contact Client regarding the overdue balance. Client has made no effort to pay the overdue balance nor to make any payment arrangements.

Practitioner even incurred \$555 in official fees to extend the deadline for a response to office action when the delay was at Client's special instance and request. As additional support for Practitioner's position, Practitioner has attached invoices and statements evidencing the overdue amounts.

Client has repeatedly advised that Practitioner would withdraw if Client's account was not brought current, but Client continues to refuse to pay for work and official fees incurred at the Client's request.
